General Information Notes

Australia Awards Scholarships are an important component of Australia's investment in education. In Indonesia, Australia Awards Scholarships provide opportunities to study in Australia at POSTGRADUATE level. They are provided to Indonesian citizens to provide enhanced leadership, knowledge and technical skills to the Government of Indonesia, to tertiary institutions and to strategic organisations that are driving sustainable development.

Australia Awards Scholarships have been an important component of the Australian Government's efforts to reduce poverty and achieve sustainable development since the 1950s. This is achieved through:

- developing capacity and leadership skills so that individuals can contribute to development in Indonesia;
- building people-to-people linkages at individual, institutional and national levels between Indonesia and Australia.

There are a number of supplementary programs associated with Australia Awards Scholarships in Indonesia including the Australia Awards Leadership Program and the Allison Sudrajat Prize.

Public applicants are from government organisations, state universities and state owned enterprises and must be approved by training or foreign cooperation bureaus (BKLN) of their local or central agencies (see page 23). Public applicants from government agencies outside Jakarta may apply directly to the AUSTRALIA AWARDS SCHOLARSHIPS program office with the approval of their relevant *Kakanwil* or *Kadinas* and approval from *Bupati* or Governor (or representative) where necessary. *Calon Pegawai Negeri Sipil (CPNS)* are not eligible to apply.

Open applicants are from private organisations, private universities and also include recent university graduates. No government approval is required and applications are to be submitted directly to the Australia Awards office. A letter of support from the applicant's home agency, institution or private university may be included with the application. Public servants (*pegawai negeri*) cannot apply as 'open applicants'.

Targeted and Non-Targeted Category

AUSTRALIA AWARDS SCHOLARSHIPS are awarded as 'Targeted' or 'Non-Targeted'. Up to 70% of AUSTRALIA AWARDS SCHOLARSHIPS are **Targeted**; available for nominated staff from Government of Indonesia Key Agencies, Targeted Sectors and from AusAID Geographic Focus Areas¹. Further information on each of these sub-categories is available at www.australiaawardsindo.or.id

At least 30% of AUSTRALIA AWARDS SCHOLARSHIPS are **Non-Targeted** available for public servants and non-public servants outside the AusAID Geographic Focus Areas.

Scholarships are for full-time study for a Masters or Doctorate degree from Australian tertiary institutions. The scholarship provides up to nine months full-time language and academic preparation in Indonesia. Students must achieve satisfactory results in this training to be able to continue their scholarships.

Selection Process

All applicants are considered by an independent Joint Selection Committee comprised of Australian and Indonesian academics. Only those shortlisted will be interviewed. The interview will assess candidates' academic ability, clarity of study goals, and cultural adaptability. A critical consideration will be how well the AUSTRALIA AWARDS SCHOLARSHIPS applicant is able to explain the relevance of their proposed study area to the development of Indonesia. The interview will be accompanied by an IELTS test of English language proficiency.

Final selection is objective and based on the principles of merit and equity. The final list of recipients is subject to scrutiny and endorsement by AusAID and Government of Indonesia - State Secretariat.

SELECTION QUOTAS:

- > Up to 70% of awards will be offered to applicants from the Targeted Category including up to 30% of this number from AusAID Geographic Focus Areas
- > At least 30% of awards will be offered to applicants from the Non-Targeted Category,

Where appropriate, notification will include details of pre-departure training (English, academic skills, cultural preparation). This training is compulsory and full-time (see page 6 for step by step of AUSTRALIA AWARDS SCHOLARSHIPS Application Process).

Modifications to physical or learning environments, including additional educational supports such as sign interpreters and captioning, may be available depending on the relevant Institution's capacity. AusAID will advise the Institution of any special requirements associated with a Recipient so that the Institution can pass these details to the Institution's Disability Liaison Officer prior to the Recipient arriving on-campus.
